Dear Author(s),

We are pleased to inform you that your paper 98 Click2Ration: A Smart Digital Platform for Secure and Transparent Last-Mile Delivery in India's Public Distribution System has been selected for presentation at the conference, subject to completion of the required registration and camera-ready submission procedures.

Please carefully follow the instructions below:

Offline Presentation: At least one author must present the paper in person (offline) at the conference. Papers that are not presented may not be considered for inclusion in the conference proceedings/publication.

Registration: The selected paper must be registered by paying the applicable registration fee within the specified deadline. Registration of the paper is mandatory for publication consideration.

Plagiarism/Similarity: The similarity index of the revised manuscript must be less than 10%. Authors are responsible for ensuring that the manuscript meets the required originality standards.

IEEE Format: The camera-ready paper must strictly follow the prescribed IEEE conference format/template.

Language Quality: Authors must carefully check the manuscript for grammatical, spelling, typographical, and formatting errors before submitting the camera-ready version.

Title: The title of the paper must remain exactly the same as the accepted paper. Any change in the title should be made only with prior approval from the conference organizers.

Number of Authors: The number and order of authors must remain the same as in the accepted submission. No addition, deletion, or change in the author sequence will be permitted.

Revision Based on Reviewers' Comments: Authors must revise the manuscript carefully according to the suggestions and comments provided by the reviewers. The revised version should address all relevant reviewer comments.

References and Citations: All references listed in the reference section must be appropriately cited in the main text, and all citations must correspond to entries in the reference list.

Equations: All mathematical equations must be prepared using an appropriate Equation Editor or MathType and should

not be inserted as images or screenshots.

Authors are requested to thoroughly proofread the manuscript and ensure that all the above requirements are satisfied before submitting the camera-ready paper.

Failure to comply with these requirements may result in the paper being excluded from the conference proceedings/publication.

Thank you for your cooperation, and we look forward to your participation in the conference.
